Respected Sir,

**Sub: Announcing the results of Limited departmental  
Examination conducted for the promotion of TGT to PGT reg.**

We would like to draw your kind attention towards an important issue which would boost the sinking morale of the striving staff as a result the Samiti will be highly benefitted.

Sir, Departmental Limited Promotional examination was conducted in the month of November for promoting TGTs to the post of PGT. Lot of staff members with a great hope prepared in spite of their busy wrenching schedule and wrote the examination and has been waiting for the promotion which is a rare thing to happen in Samiti. Kindly expedite the process and issue the promotion orders at an early date so that those lucky and efficient staff members can make their plans to move to the new place of posting and make necessary arrangements for the schooling of their wards.

Sir, several state governments are conducting class X and XII exams where in more than three to ten lakhs students appear for the exam in various subjects and their results are announced within a month or one and a half month and they get their report cards also. Why Navodaya Vidyalaya Samiti can't do such exemplary work where hardly a thousand or one and half thousand appear. Your candid efforts would certainly make the hard working staff inspire and enthuse to put in more efforts for the glory of the organization.

Sir, only when the teachers are young and they have energy to move to far of places they will have zeal to accept promotion and go to work anywhere in India. As most of the promotions are unduly delayed all their zeal and enthusiasm is lost we find many people declining the untimely promotions. Though they decline as they are untimely, they do suffer mentally so much as there is no professional growth in their life.

Sir, your benevolent self can certainly understand the agony of the awaiting staff who are eagerly waiting for the promotion. Kindly expedite the process and issue the promotion orders to the deserving and dedicated staff members so that they can serve the organization with renewed energy and vigour.

Thanking you in anticipation,

Yours sincerely
