Sub: Creation of post of PGT(MIL) & PGT(PE) – regarding.

Sir

Your kind attention is invited to the Ministry of HRD letter No. F. 17-35/2011-UT.3 dated 14.02.2012, wherein certain clarification was sought for up-gradation of TGTS to the post of PGT(MIL) & PGT(PE).

The desired clarification was furnished by the Samiti vide its letter dated 29.02.2012(copy enclosed). Since then Samiti has been issuing reminders i.e. dated 17.05.2012, 16.07.2012, 10.09.2012 & 09.10.2012. The decision of the Ministry with regard to creation of post of PGT(MIL) and PGT(PE) is yet to be received. Staff Association has been demanding expeditious action for creation of these posts, so that the long pending demand of the eligible teachers could be redressed. Keeping this in view you are requested to look into the matter and send an early reply.

Encl: as stated.

Yours faithfully

Sub: Up-gradation of one post of TGT (Regional Language) to PGT(Modern Indian Language) and one post of TGT(Physical Education) to PGT(Physical Education) in JNVs - Reconsideration of the decision of the Ministry – regarding.

Sir

I am to refer to your letter No. F.17-35/2011-UT3(Pt) dated 05.08.2013, wherein upgradation of one post of PGT(RL) to PGT(MIL) and one post of TGT(PE) to PGT(PE) in JNVs was conveyed subject to the certain conditions.

2. In this regard, the following facts are brought to the notice with the request to reconsider the matter and accord permission of the Ministry to fill up the post of PGTs (in these upgraded posts) purely on promotion basis instead of direct recruitment:

| Sl. No. | Conditions prescribed by Ministry of HRD – for up-gradation of TGT(RL) to PGT(MIL) and TGT(PE) to PGT(PE) | Comments |
|---------|---|--|
| i) | The total number of posts, at PGT level after this upgradation does not exceed total number of posts at PGT level as per the norms approved by the Cabinet in this regard at the time of establishment of Vidyalaya | As per the original Cabinet note regarding establishment of JNVs, 14 post of PGTs including PGT (Third Language) were proposed to be provided. Thus, the posts of PGT(MIL) and PGT(Physical Education) will be within originally approved norms. |
| ii) | The post of TGT which would stand upgraded to PGT level would stand non-existent and no filling up of the post could be made at TGT level, because the post once upgraded to higher level of PGT will | It is proposed to provide post of PGT(MIL) and PGT(Physical Education) only to those JNVs where at least 15 students opt for the concerned subject at +2 level. At present 17 Regional Languages are taught in JNVs |

| | | |
|------|--|---|
| | cease to exist at TGT level. Thus, the school will, henceforth, make do with one post of TGT in the streams of Regional Language and Physical Education | and we may not have sufficient students opting for a Regional language at +2 level in all these 17 languages. The number of such schools will thus depend upon the number of students who opt for these subjects at +2 level and may change from year to year. |
| iii) | The essential/desirable qualifications required for the post of PGT would be strictly followed in these two streams also without any relaxation/deviation. | As per existing Recruitment Rules for PGT(English) and PGT(Hindi), a candidate is required to have a Master's Degree with at least 50% marks in the concerned subject alongwith BEd Degree with maximum age limit of 40 years for direct recruitment. In case of promotion, the Educational qualifications only will apply. Recruitment Rules for appointment of these two posts of PGTs are yet to be framed. Samiti may frame the Recruitment Rules after deciding whether these posts are to be filled up by promotion or by Direct Recruitment as discussed under Para 3 below. |
| iv) | The mode of filling up of the post of PGT will have to be strictly followed as per the Recruitment Rules including the procedure for filling up of the same and it may not be treated as an avenue for promotion. Since the Recruitment Rules provide for filling up the post of PGT(IT) 100% by direct recruitment, a routine mode of promotion of TGTs may not be adopted and Recruitment Rules will have to be strictly followed. | Existing Recruitment Rules for appointment to the posts of PGTs provide as under: a) For Commerce, Economics and IT – 100% by Direct Recruitment. b) For Hindi and English – 50% by promotion and 50% by direct recruitment. c) For other subjects – 25% by promotion and 75% by direct recruitment. The above proposals have been provided keeping in fact that there is no feeder cadre for promotion to the post of PGT in Commerce, Economics and IT. For PGT(Hindi) and English), promotion is prescribed at 50% as there are two TGTs in the concerned subject in every JNV. As regards, other subjects, the promotion of avenues are as under: TGT(Maths) – eligible for PGT(Maths) and PGT(Phy.) TGT(Science) – eligible for PGT(Biology) and PGT(Chem.) TGT(SST) – eligible for PGT(Hist.) and PGT(Geo) |

3. Considering that the upper age limit for promotion to the post of PGT is 40 years and that we may need the post of PGT(MIL) and PGT(PE) only in those schools where at least 15 students opt for these subjects at +2 level, it would not be appropriate to fill up the upgraded post of PGTs **purely by direct recruitment** as prescribed by the Government. This would also debar most of the TGTs in the feeder cadre for promotion to the upgraded post even though they have been taking class at +2 level for quite some time. These posts should therefore, be filled up by promotion from amongst eligible TGTs/PETs who possess Master's degree in the concerned subject.

This issue may kindly be considered & approval of the Ministry conveyed for filling up of these upgraded post by promotion only.

Yours faithfully

(M. S. Khanna)
